

WINTER PHOTOGRAPHY SHOW WINNERS - 2026			
STRUCTURES	Title	Artist	Judge's Comments
First Place	Winter's Gone By	McKayla Long	Love the contrast, both in light versus dark and man versus nature. Great composition
Second Place	Cold, Smooth Path to the Barn	Sue Kuck	Excellent composition and use of color which is sometimes hard to find in winter!
Third Place	Off Season	Mckayla Long	Nice framing, using the trees to focus the eyes into the subject
Honorable Mention	Old Selkirk Lighthouse	Andy Derby	Great composition and use of leading lines!

PORTRAITS			
First Place	Visitor to the Window	Mckayla Long	A great example of minimalist portrait!
Second Place	Winter Warriors	Mckayla Long	Great framing to capture this moment!
Third Place	Is that an Icicle....	Stephen Wurst	Love the abstract cropping
LANDSCAPE			
First Place	Sweet Sensation	Kaia Meddaugh	Top-notch framing and composition! The spiral leads the eye perfectly to the distant focus. Nice!

Second Place	Frost on the Cornfield		Such beautiful composition and use of subtle color in such a barren, drab landscape. Well done!
Third Place	Follow Me!		Love the top down perspective and curved leading lines to direct the eye!
Honorable Mention	A Hazy Shade of Winter	Kaia Meddaugh	Great photo! Any time you can get the viewer to wonder what exactly they're looking at, you've done well.
